Call us to discuss your property investment goals and a complimentary insurance consultation as products and markets may vary from the below.

Benefits

SUI offers competitive property and liability protection for REO and investor-owned properties. With or between renters—or even while rehabbing—the comprehensive coverage available protects these investments for your business needs or property investment growth strategy. We also cover land contract and seller-financed transactions. We deliver quick quote to bind capabilities on residential homes (1 to 4 units), condos and small apartments from a top-rated carrier coupled with responsive claims handling when needed.
